

Madhya Pradesh Agency for Promotion of Information Technology
(A Regd. Society of Govt. of M.P. Under Department of Science & Technology)

MAP_IT/CoE/2021/ 1019

Date: 3/02/2021

Office Order

Software applications being developed at MAP_IT, are having financial and legal implications. In order to maintain the sanctity of the data and process, no changes in the database from back end is allowed. For exceptions, prior approval from competent level must be sought. Violation of the same may lead to strict action against the concerned.

In line of the above, clients should be suggested to retain the access of data with themselves instead of leaving it with development team.

Adherence to above must be ensured.

Vinay Pandey
